INDEPENDENT AUDITOR'S REPORT

To the Members of Saint Leonard's Society of Nova Scotia (operating as Shelter Nova Scotia)

Qualified Opinion

We have audited the financial statements of Saint Leonard's Society of Nova Scotia (operating as Shelter Nova Scotia) (the "Society"), which comprise the statement of financial position as at March 31, 2021, and the statements of revenues and expenditures, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Society as at March 31, 2021, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

Basis for Qualified Opinion

In common with many charitable organizations, the Society derives revenue from fundraising and donations the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Society and we were not able to determine whether any adjustments might be necessary to contributions, excess of revenues over expenditures, and cash flows from operations for the years ended March 31, 2020 and 2021, and current assets and net assets as at March 31, 2020 and 2021. Our audit opinion on the financial statements for the year ended March 31, 2020 was modified accordingly because of the possible effects of this limitation of scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Society in accordance with ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

(continues)

Independent Auditor's Report to the Members of Saint Leonard's Society of Nova Scotia (operating as Shelter Nova Scotia) (continued)

Those charged with governance are responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting
 a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
 involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal
 control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Financial Statements Year Ended March 31, 2021

PURPOSE OF THE SOCIETY

Saint Leonard's Society of Nova Scotia (operating as Shelter Nova Scotia) (the "Society") was incorporated under the Societies Act of Nova Scotia on May 2, 1968. The Society provides support service, overnight shelter and housing for half-way transition to community placement for those who need it. It is exempt under the Income Tax Act as a not-for-profit organization and registered charity.

The Society conducts programs and services and operates from the following locations:

Sir Sandford Fleming House (SSFH), at 2549-55 Brunswick Street, Halifax

Nehiley House, at 3170 Romans Avenue, Halifax

Barry House, at 2704/2706 Gottingen Street, Halifax

Metro Turning Point (MTP), at 2170 Barrington Street, Halifax

Cunard Street Apartments, at 5506 Cunard Street, Halifax

Herring Cove Apartments, at 191 Herring Cove Road, Halifax

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

Cash and cash equivalents

Cash and cash equivalents consists of amounts held with Canadian financial institutions net of outstanding cheques and deposits as well as line of credit facilities in use as at year end.

Investments

Investments for which there are quoted prices in an active market are carried at fair value. Unrealized gains or losses are reported as part of excess of revenue over expenditures. Investments for which there is not an active market are carried at amortized cost except when it is established that their value is impaired. Impairment losses, or reversal of previously recognized impairment losses, are reported as part of excess of revenue over expenditures.

Financial instruments

Financial instruments are recorded at fair value when acquired or issued, except for transactions with related parties which are recorded at the exchange amount. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

(continues)

Notes to Financial Statements Year Ended March 31, 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Capital assets

Capital assets are stated at cost less accumulated amortization and are amortized over their estimated useful lives on a declining balance basis at the following rates:

| Buildings | 2.5% |
|--------------------|------|
| Computer hardware | 30% |
| Location equipment | 20% |
| Office equipment | 20% |

Capital assets are amortized at one-half of the normal annual rate in the year of acquisition; no amortization is recorded in the year of disposal.

Capital assets acquired during the year but not placed into use are not amortized until they are placed into use.

Impairment of long-lived assets

The Society tests for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable. Recoverability is assessed by comparing the carrying amount to the projected future net cash flows the long-lived assets are expected to generate through their direct use and eventual disposition. When a test for impairment indicates that the carrying amount of an asset is not recoverable, an impairment loss is recognized to the extent the carrying value exceeds its fair value.

Deferred revenue

Current contributions to operations received for use over the next twelve months are recorded as deferred revenue and recognized in the period the revenue is intended to be used.

Revenue recognition

Saint Leonard's Society of Nova Scotia (operating as Shelter Nova Scotia) follows the deferral method of accounting for contributions.

Restricted contributions are recognized as revenue in the year in which the related expenditures are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Rental income is recognized as revenue in the period it becomes receivable per the related lease.

Fundraising and donations are recognized as revenue when received.

Contributed services

Volunteers contribute a significant amount of their time each year. Because of the difficulty in determining their fair value, contributed services are not recognized in the financial statements.

Donated goods

The fair value of donated goods, if any, are recorded when a receipt is provided assuring the value. When a receipt cannot be provided, the nature of significant donated goods are disclosed.

(continues)

Notes to Financial Statements Year Ended March 31, 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Government assistance

The forgivable loan, recorded in deferred capital contributions, from the Department of Community Services is amortized over 15 years. Other government assistance for acquiring capital assets is deferred and amortized on the same basis and according to the same rates as the related capital assets or to income as eligible expenditures are incurred.

Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates. The most significant estimates in these financial statements include the allowance for doubtful accounts, accrued liabilities and the estimated useful lives of the capital assets.

2. FINANCIAL INSTRUMENTS

The Society is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The Society's financial instruments consist of cash, accounts receivable, assets held in trust, accounts payable and accrued liabilities and long term debt. The following analysis provides information about the Society's risk exposure and concentration as of March 31, 2021.

Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Society is exposed to credit risk from contributors and tenants. An allowance for doubtful accounts is established based upon factors surrounding the credit risk of specific accounts, historical trends and other information. Due to the nature of contributions, the Society does not have significant issues collecting receivables, resulting in a minimal exposure to credit risk.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Society is exposed to this risk mainly in respect of its receipt of funds from its contributors and other related sources, long-term debt, and accounts payable and accrued liabilities.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The Society is mainly exposed to interest rate risk.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the Society manages exposure through its normal operating and financing activities. The Society is exposed to interest rate risk primarily through its floating interest rate bank indebtedness and credit facilities.

8. DEFERRED CAPITAL CONTRIBUTIONS

Deferred capital contributions are grants received as contributions toward the cost of specific assets. They are deferred as revenue and recognized over time on the same basis that the related capital asset is amortized, with the exception of the Cunard Street forgivable loan, which is amortized over 15 years.

| | Beginning | | Am | ortized as | | |
|---|-----------------|---------------|----|------------|-----|--------------|
| | Balance | Receipts | R | evenue | Enc | ling Balance |

| | \$ 3,229,065 | \$ 532,343 | \$ | 113,508 | \$ | 3,647,900 |

9. INTERNALLY RESTRICTED FUND

During the year, the Society carried a motion to create a reserve fund of \$430,000 to be included in the operating budget with restrictions being placed on the funds for the following purposes:

- The funds should be used to pay for a new office space for the years 2022-2024, with alternatively sourced funding for 2025-2026.
- If donations of alternate funding are received towards the first three years of rental, the reserve funds would then be used to pay for the office space in years 2025-2026. Any remaining funds would be used to fund capital projects.

10. COMMITMENTS

The Society has a long term lease with respect to its office, medical and facility equipment. Future minimum lease payments as at March 31, 2021, are as follows:

| 2022 2023 2024 2025 2026 Thereafter | \$ | 103,754 128,221 134,533 126,727 118,320 29,796 |
|--|-------|---|
| Therealter | X-1-2 | 23,730 |
| | \$ | 641,351 |

Notes to Financial Statements Year Ended March 31, 2021

11. PRIOR PERIOD ADJUSTMENT

During the year a prior period adjustment was required as rent revenues were recorded when received rather than when the revenue was earned. As a result, prior period rental income was overstated by \$8,025, and deferred revenue was understated by \$8,025.

In the prior year, in kind donations included both receipted and unreceipted donation revenues and expenditures in the amount of \$300,981. The Society changed the policy to only report receipted in kind donations in the current year. The comparative figures have been restated to reflect this change, and unreceipted in kind donations of \$283,367 have been removed.

12. ECONOMIC DEPENDENCE

The Society's ability to continue operations is dependent on government funding. Should this funding change, management is of the opinion that continued viable operations would be doubtful.

13. COVID-19

Beginning in March 2020 the Governments of Canada and Nova Scotia, as well as foreign governments instituted emergency measures as a result of the COVID-19 virus (the "virus"). The virus has had a major impact on Canadian and international securities and currency markets and consumer activity which may impact the Society's financial position, its results of operations and its cash flows. As these are on-going events, these financial statements do not reflect any potential future impact. It is not possible to reliably estimate the length and severity of these developments and the impact on the financial results and condition of the Society as at the report date.
